South Dakota Professional Administrators Practices and Standards
Commission

The Professional Administrators Practices and Standards Commission hereby files this report with the South Dakota Board of Education.

The Commission is charged with the responsibility of reviewing and when appropriate conducting case hearings regarding complaints against teachers. The Commission may reprimand or recommend a disciplinary action which may be implemented by the appropriate governing body against a member of the teaching profession if the member has been determined by the Commission to have violated the code of ethics established under SDCL 13-43-45. If the Commission determines that proceedings to revoke or suspend the certificate of a teacher should be instituted, the Commission must file a written complaint with the Secretary of the South Dakota Department of Education.

During calendar year 2010, the Commission met on five occasions and reviewed three complaints. All three complaints were dismissed. The Commission held one administrative rules hearing for the implementation of one revised administrative rule.
